

2017 CREATIVE WOMEN'S WORKSHOP REGISTRATION

Saturday, July 29th, 9AM to 3PM

Sponsored by the Bradford Landmark Society

Choose any four classes, numbering them 1 through 4, that you would like to take.

1. _____ **Why Knot?** Not just for Boy Scouts, knot tying is a skill that every woman should have. Learn the basics: square knot, sheet bend, clove hitch, and the tricky “Monkey’s Fist!”
2. _____ **Self Defense.** Don’t be a victim. Learn self-confidence and be prepared. Local expert Sue Everetts will explain and demonstrate realistic self-defense tactics and techniques to help women feel confident in any situation.
3. _____ **Glass Etching.** Mary Gibbs will teach you the basics of creating beautiful glass etching on clear glass plates, but this technique is applicable to a variety of items. Materials provided.
4. _____ **Blacksmithing** will learn the basics of blacksmithing (including how to make flip-flops).
5. _____ **Calligraphy.** One of our most popular classes every summer, Sue Wells will once again teach calligraphy, the art of beautiful writing with a pen and ink. Think greeting cards, invitations, or inspirational quotes. Beautiful handwriting is timeless!
6. _____ **Pound the Plant.** (We couldn’t think of a better name!) Judy Yorks will help you create a stunning picture, using natural plants, leaves, flowers, a hammer, and a piece of muslin. Fun and good exercise, too!
7. _____ **Legacy Writing.** Live forever through your own words. Rebecca Ryan will help you begin the journey of writing down your life story, using reflections of everyday life and memories of past events.
8. _____ **Zen Meditation Sand Garden.** Traditionally, Zen gardens recreate the essence of the natural world in a small space. Bob Harris will help you create that essence as you build and design your own personal Zen garden.
9. _____ **Identifying Wild Flowers.** Learn to identify the amazing number of wild flowers that grow in the Tuna Valley, using Peterson’s Guide to Northeastern Wildflowers. Based on color, flower type, leaf, and stem, you’ll soon impress your friends and family with your knowledge of wildflowers.
10. _____ **Horseshoes.** Learn this classic backyard game from Judy Miller, as she helps you master the fine art of throwing horseshoes. Be the star at your next family picnic!
11. _____ **Magnetic Memories.** Do you have family photos, letters or recipes tucked away in a box in the attic? Join us to learn ways to display this special family memorabilia. Be inspired to bring these

13. _____ **Around the House.** Learning how to do little repairs, adjustments, and fixes around the house is easy. Why call a repairman – or a husband or boyfriend – when you can do it yourself with common household tools? It just takes a little bit of know-how and boom! You’ve done it! Cal Abbott will show you how it’s done.

Cost is \$40 for all four classes. Lunch will be provided. All classes will be held at the Crook Farm, 476 Seward Avenue, Bradford. **PLEASE ARRIVE BY 9 AM.**
